No

Why or why not?

Great intro to neuroscience and neurophysiology!

Gave me a new perspective on how I think and work.

What aspects of this class contributed most to your learning?

Adrian did a brilliant job at summing up class information and presenting it in an easy to understand way. Great at question answering! Natural lecturer!
can't spell that...

What aspects of this class detracted from your learning?

N/A great qwe section instructor.

What suggestions do you have for improving the class?

I thought it was a pretty spot on intro neuro class.
Felt more like bio than psych to me though.

We encourage you to respond to all questions as thoughtfully and constructively as possible. Your comments will be used by the instructor to improve the course. However, you are not required to answer any questions.

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

So much new material was covered. It was an entirely new subject for me and a lot of the material was fascinating

What aspects of this class contributed most to your learning?

Really like how much the quiz section and class related to each other. The quiz sections felt very useful → great way to go over things that we covered too quickly in class. Adrian Andelin is a very good teacher.

What aspects of this class detracted from your learning?

Not really anything. At times we covered a lot of information for one quiz section but I don't know how that would be changed

What suggestions do you have for improving the class?

Maybe a little less focus of powerpoint slides since that's the way our class is taught every day.

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

During Quiz Section Adrian was always great at going over the material we had discussed during the week in lecture and he made sure all of our questions got answered.

What aspects of this class contributed most to your learning?

The PowerPoints Adrian made every week for us to have an easier way to review what we had learned in lecture and his willingness to help me any time really contributed to my learning. It is obvious he put lots of effort on his PPs.

What aspects of this class detracted from your learning?

NONE

What suggestions do you have for improving the class?

Adrian did a magnificent job. It is obvious he is very familiarized with all the material and his sense of humor really helped me feel comfortable during quiz sections.

☒ Yes

☐ No

Why or why not?

We often got to go more in depth with the concepts we learned in lecture, which helped in deepening our understanding.

What aspects of this class contributed most to your learning?

The coordination of quiz section with the lecture was really good, so we didn't waste a lot of time. Everything we talked about helped in learning the content of lecture.

What aspects of this class detracted from your learning?

none

What suggestions do you have for improving the class?

Maybe add more interactive elements

Why or why not?

content I thought was very interesting
you definitely had to really study the material
in order to retain the information because there
was so much.

Really liked the extra credit assignment

What aspects of this class contributed most to your learning?

The quiz sections really helped cement
the material ~~were~~ we talked about in lecture.
Review sessions were really great.

What aspects of this class detracted from your learning?

There wasn't much, sometimes we got off
topic or went on tangents in class
but overall the quiz section was super
helpful & informative! Thank you for the
study guides!!

What suggestions do you have for improving the class?

Maybe have more sample tests
Especially the first exam, it was hard what
to expect. Have a study guide for it

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

Yes it was! I enjoyed coming to class and talking to the instructor about building on the concepts of class and how they can be applied in the real world.

What aspects of this class contributed most to your learning?

The ability to recap what was important in the chapters and to re-emphasize key points in the main lecture.

What aspects of this class detracted from your learning?

Nothing really.

What suggestions do you have for improving the class?

Keep using the same formula for success, while maybe incentivizing students to create exception quiz section questions by allowing the 5 best questions from each quiz section to be on the test.

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

This was by far my favorite class I have taken at UW.
I wanted to study neurobiology but hated its lack of human
relevance. This course allowed me to jump right into
what I wanted to learn.

What aspects of this class contributed most to your learning?

Quiz Section. I really enjoyed the reviews - they
were very helpful and tailored well to students
since lecture could be very confusing
and overwhelming.

What aspects of this class detracted from your learning?

N/A.

What suggestions do you have for improving the class?

Quiz-based reviews to narrow down on
questions related to specific chapters rather
than being thrown into an exam
4 times.

☒ Yes

☐ No

Why or why not?

It did. The material is not easy. It stretched and challenged my thoughts & perspectives.

What aspects of this class contributed most to your learning?

The quiz sections were the most useful to my learning. Adrian knows the material and he is great at delivering it. Easy to understand and makes the subject interesting.

What aspects of this class detracted from your learning?

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

This quiz section really helped me out. Especially at the beginning when I couldn't really understand the professor. Your interest in the subject really helped to make even the most boring content interesting. During one quiz section you really inspired me when you said to find at least 1 thing in each subject, that you like. I to make class more interesting.

What aspects of this class contributed most to your learning?

Willingness to go over already reviewed material, meeting outside office hours, finding ways to make tough topics easier to remember.

What aspects of this class detracted from your learning?

Sometimes you strayed from the topic at hand, but overall good.

What suggestions do you have for improving the class?

Quiz-like powerpoints so we're able to participate more instead of listening to various slides, slides were helpful, but since it was towards the end of the day on Friday, it would have been a bit more helpful to be interactive.
