☒ Yes

☐ No

Why or why not?

Psychology is very engaging material.

What aspects of this class contributed most to your learning?

Adrian's enthusiasm and willingness to help and accommodate. Due to schedule concerns and unforeseen circumstances I struggled throughout the quarter, but Adrian was beyond supportive throughout the entirety of the quarter. It was a privilege to have him as a TA.

Was this class intellectually stimulating? Did it stretch your thinking?

Yes

☒ No

Why or why not?

I don't enjoy science based classes personally but regardless, it definitely expanded my knowledge on behaviors & how the mind works.

What aspects of this class contributed most to your learning?

Quiz section was most useful to my learning.
Adrian's teaching methods were really helpful.
& made this class tolerable for my learning.

What aspects of this class detracted from your learning?

~~Adrian~~ Just not being interested in science based classes made me get off track more often than not.

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

Yes this class was extremely stimulating. You went beyond any quality of work I have seen from any TA. The lecture slides from left room for discussion and questions (which were answered) about the material.

What aspects of this class contributed most to your learning?

The ~~lecture~~ powerpoint presentations definitely contributed the most to my learning. Simply going over the material from the week was really helpful. I really liked how you ~~pointed~~ selected the most important concepts about lecture, it guided me throughout my studying and preparation for exams.

What aspects of this class detracted from your learning?

Not much actually. You're a great TA & you actually care about the success of the students with this class. Thank you, I had a great experience.

What suggestions do you have for improving the class?

Continue doing what you're doing. Your enthusiasm and work ethic is amazing and super helpful. I really liked how after each student went around and said what their favorite question was, you would add on to their response which helped reassure them and be able to connect w/you.

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

Yes, I had taken psych 101 as a freshman so this built upon my previous knowledge & I learned a lot of new information.

What aspects of this class contributed most to your learning?

I loved the review slideshows every week and the free time after designated for questions & answers.

What aspects of this class detracted from your learning?

None! I really enjoyed & benefited from the organization of this quiz section. I usually don't like quiz sections but this one was totally worthwhile!

What suggestions do you have for improving the class?

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

Everything, this has been one of my favorite classes, I find the nervous system fascinating

What aspects of this class contributed most to your learning?

The lectures and quiz sections. Having Dr. Voorhies present it one way, and Adrian a slightly different way, it gives you 2 different perspectives which really helps w/ understanding the material

What aspects of this class detracted from your learning?

Sleepiness

What suggestions do you have for improving the class?

Keep having presenting the info in a slightly different way than the lecturer, it helps to have 2 perspectives - as w/ most everything

Was this class intellectually stimulating? Did it stretch your thinking?

☒ Yes

☐ No

Why or why not?

Absolutely. One of the most interesting courses I've taken to date. And the required reading and course content was just the beginning... they really served as a launch pad to contemplating a whole world of bio-psychological phenomena.

What aspects of this class contributed most to your learning?

I really appreciated the ~~\$~~ ~~xxx~~ powerpoint reviews. Adrien did a great job taking a ton of material and condensing it down to a helpful 20-minute review. He was incredibly approachable and willing to discuss even distantly-related material. One of UW's best TAs for sure :)

What aspects of this class detracted from your learning?

None. The class was great. I thoroughly enjoyed it, moreso due to Adrien's thoughtful contributions.

What suggestions do you have for improving the class?

Could maybe skip the reading aloud of questions and answers at the end in favor of more time for peer discussions.
